## **PARMA PARTNERS WITH HUNGER CENTER FOR DOCUMENT SHREDDING PROGRAM**

**(PARMA)** – The City of Parma will partner with the Parma Hunger Center for a weekend Document Shredding Program. The event will be held Saturday, April 10 at the Parma Justice Center parking lot.

“This is an annual event that helps our residents in more ways than one,” said Parma Mayor Dean DePiero. “Residents can get rid of their unwanted documents from home while dropping off canned goods and non-perishable food for the Parma Hunger Center.”

The Document Shredding Program is organized by Parma Law Director Timothy Dobeck and has proven to be a success with area residents. It is also a joint venture by the shredding company, Gateway Recycling, and the City of Parma Recycling.

The Parma Law Department says proof of residency is required at the time of drop-off. A driver's license, a gas or electric bill is acceptable.

The Document Shredding Program and Food Drive will be held from 9:00 a.m. to noon. The Parma Justice Center is located at 5555 Powers Blvd.
